Harry Camnitz

Will Go To American Association This Season.

Harry Camnitz, of Hustonville, who is under contract to the Pittsburgh team in the National League, will probably be placed with an American Association club for another year's experience before he is kept permanently in the big league. He was in Stanford Friday night and said he was expecting such a transfer.

A dispatch from Pittsburgh said: "Young Camnitz in signing his contract this year requested a speedy transfer to some other team unless he could be given a regular berth on the champions. Clarke did not find him yet ready for the really fast work, but will keep a line on him in the smaller club to which he will be sent."

COUNCIL WILL SELL FRANCHISE

To Operate a Telephone System In Stanford—Nothing Heard From E. T. People.

Acting upon the theory that the East Tennessee Telephone Co. has no legal authority in being doing business in Stanford, the city council at a special meeting last week decided to advertise for sale a franchise, and put it up and sell it to the highest bidder. The council proposes to incorporate in the provisions of the franchise just what the rates for telephones shall be in the city.

It is understood that representatives of the independent telephone companies of Louisville or Lexington have been making overtures to the Council for a franchise here, since the city fathers seemed to make the East Tennessee Company come down in rates or get out of town. Members of the council will not say just who has been after a franchise. Local Manager Homer Wray, of the E. T. Company, has heard nothing from the higher officials relative to the demand for lowering of the rates.

Option Election in Danville

May Follow Ruling of Judge Saufley in Bunk Raum Case.

In accordance with the county unit local option law now upon the statute books of Kentucky, Judge M. C. Saufley at Danville Friday held that the city council of Danville has a right to grant license to sell liquor in that city if it so chooses. Judge Saufley reminded the decision in the case of Bunk Raum, the noted colored blind tiger operator, who was before the court charged with violating the local option law in 33 cases. The judge held he could be fined under the city ordinance but could not be imprisoned, as the state option law could not be construed to cover his case.

In 1890 Danville voted dry, but no option election has been held there since. The county unit law of 1906, which exempted fourth class cities from a vote with the whole county, repealed the old option law, and as Danville has not voted upon the local option question under the present law, no charge of its violation could be sustained.

Judge Saufley's opinion woke up the temperance people of the capital of Boyle and it is said that a local option election will be held there at once. It is said that there is no chance of saloons being licensed in the city, whether an election is held or not, for the council is composed of "dry" men.

"Time of His Life"

Will Be Had In Merry Play at Crab Orchard Friday.

The play which the young people of the Crab Orchard Baptist church will give Friday night next to raise funds for a new carpet for the church is being awaited in the East End with much interest. It is entitled "The Time of His Life" and is in three acts. The cast of characters will be:

Mr. Bob Grey—Wilson Napier.
Mrs. Bob Grey—Miss Clara Collier.
Tom Carter—R. H. Bronaugh, Jr.
Mrs. Carter—Miss Annie Bronaugh.
Mr. Peter Wycombe—Maurice Perkins.
Dorothy Landon—Miss Lalla Nuckols.
Mr. Jas. Landon, Sr.—F. M. Dillon.
Uncle Tom—Thomas Moore.
Officer Hogan—Lucien Dunn.
The admission will be 25 cents; 15 cts for children.

Clock Installed

In New Court-house Tower—Old Works Being Used.

The clock was installed in the new court-house tower on Saturday, and every one in the city is anxiously looking forward to the day when the handsome new building will be completed. The face of the clock will be luminous, so that the time may be discerned as well at night as in the daytime.

The old works were put back into the new tower, as they were found to be in very good shape when examined by the Cincinnati clockmaker who had the contract to set the clock going. These works have been running continuously for 38 years, having been installed in 1872. Everyone who visits Stanford is struck with the appearance of the new court-house, and compliments the good people of Lincoln county upon their progressiveness in erecting such a handsome public building.

DECLARED DEMOCRATIC NOMINEE FOR THIRD TERM IN CONGRESS

Hon. Harvey Helm, of Stanford.

Harvey Helm, of Stanford, was declared the democratic nominee for Congress in this, the Eighth district, at a meeting of the district committee at 2 o'clock Monday afternoon at Nicholasville. This is the third nomination which Mr. Helm has received at the hands of his party and every member of it is confident that he will carry the banner to victory again in November, as he has done so ably in the past.

Friday, April 15, was the last day for entrance to the Congressional primary act for April 30th, to announce Mr.

Helm has no opposition, so the committee called off the primary and declared Mr. Helm the nominee as the unanimous choice of the party in the district.

Mr. Helm was in Stanford before the committee meeting, shaking hands with his many friends and receiving their hearty congratulations. He will return to Washington at once to his duties. He says that he believes that the insurgents are determined to unseat Cannon as speaker and will vote with the democrats to do so before the end of the session.

Preacher a Night Rider.

Federal Court Hands Out Heavy Fines to Eight Men.

Eight of the alleged night riders of Grant county, on trial in the Federal court at Covington, were found guilty Saturday and three were acquitted. Fines ranging from \$100 to \$1,000 were assessed against the guilty parties by Judge Cochran, who released the men on their own recognizance pending an appeal to higher courts.

The top fine of \$1,000 was inflicted upon Rev. John S. Steers, a member of the Legislature from Grant county. Perry Simpson, A. C. Webb and Jere Carter were fined \$500 each. Frank K. Conrad, H. L. Conrad and R. Lee Conrad were fined \$300 each. John Caldwell was fined \$100. The men acquitted were Marion Bennett, John Callender and Isaac N. Conrad.

The jury was out about three hours. The charge by the judge was such that a conviction, at least of some of the men on trial, was generally predicted.

Crime to Give it Away.

Jim Tall Got In Bad All Around For His Generosity.

There's so little whisky in Stanford—or supposed to be—that Police Judge John N. Menefee, Jr., holds it's just as much an offense against the statutory law, not to mention code of ethics, to give it away as to sell it. Jim Tall, a well known negro, was caught giving some booze to a boy, and he was given \$50 and costs. Sole Craig, another negro, who "pulled" a Winchester on Tall, it is said, when Tall was seen giving the "licker away," also got \$50 and the trimmings. The fact was not developed whether Craig had the weapon concealed about his person or not.

Baptist Church Insured.

The Baptist church has just been insured for \$2,500, and after the regular services Sunday morning, nearly all of the amount required to pay the premium, about \$33, was raised by subscription. Messrs Singleton, Mehony and Carman were appointed a committee to see the members for further contributions to complete the fund required.

The Markets.

Cincinnati, Apr. 18.—Cattle—Receipts 98; market quiet and steady; fair to good shippers \$6.85 @ 7.75. Hogs—Receipts 839; market steady; butchers and shippers \$9.90 @ 10; common \$7.50 @ 9.75. Sheep—Market steady; receipts none; \$4.50 @ 6.35. Lambs—Market steady, \$6.00 @ 8.35.

TWO DAYS FIXED FOR SPRING CLEANING

Council Sets April 22 and 23 And Requests All Citizens to Co-Operate.

Stanford is to be given an old fashioned cleaning up on April 22 and 23. The city council at a special meeting Thursday night, adopted the suggestion of the women's Civic Improvement Club, and agreed to furnish a horse and wagon and two men to go over the city and take up and cart away all debris on the days named.

Everyone will be required to have his or her back yard and premises cleaned, and the debris and trash deposited on the street in front of the residence so that the taking up and carting away of the dirt may require no more time than is absolutely necessary. The city fathers are determined to give the city a thorough spring cleaning and hope for the hearty co-operation of all citizens in this good work as well as the members of the Civic Improvement Club.

Pellagra and Hookworm

Will be Discussed at Meeting Of Physicians Here.

The Central Kentucky Medical Society, of which Dr. J. G. Carpenter, of this city, is president, and Dr. J. Tom Price, of Harrodsburg, secretary, will meet in Stanford at the St. Asaph Hotel, Thursday, April 21st, at 10 o'clock A. M. Dr. Rice Cowan will be the essayist of the day, with the subject of Pellagra. Dr. Carpenter will discuss the Hookworm disease, "Uncinariasis." Voluntary essays, plates, diagrams and pathological specimens presented on this occasion will be highly appreciated by the members. The members are also invited to present interesting cases for clinics. The officers say that this will be a post-graduate course for one day and that no physician can afford to miss it.

The Lincoln County Medical Society has also been called to meet here on Thursday, in conjunction with the Central Kentucky Society.

CORN GROWERS' CLUB ORGANIZED HERE

Expert Delivers Address On Cultivation and Pure Bred Seed Is Distributed to Members.

As a result of the crusade for better seed, which Commissioner of Agriculture Rankin has just concluded in 40 counties of Kentucky, it is expected that the corn crop this season will exceed that grown in any previous year both in quantity of production and quality. Corn Growers' Clubs have been organized in these 40 counties and pure bred Boone County White seed corn furnished to the members, and a great showing is expected. Ten counties of the state were canvassed in this way last year and the yield was splendid. Other counties will be organized next season, until the campaign for better seed and more corn is carried into every section of the commonwealth.

This season's campaign was closed here Friday when a club was organized with about 50 members, composed of some of the most progressive farmers of Lincoln county and community. Hon. W. H. Strange, of Hart county, gave the club many valuable hints on production of a better grade of corn and its cultivation and then distributed the seed. The Lincoln County Club was organized with the following officers: A. W. Carpenter, president; Peter Carter, first vice president; William Beck, second vice president; Shelton Saufley, secretary; William Bright, treasurer.

The members of the Lincoln county club are as follows: P. W. Carter, J. T. Roberts, J. H. Engleman, D. M. Walker, S. J. McKittrick, W. A. Coffey, A. C. Alford, W. A. Pulliam, G. W. Hasty, W. D. Hanson, W. M. McCormack, J. W. Hocker, George Hall, S. R. Hanson, J. Nevin Carter, F. P. Spoonamore, S. J. Embry, Jr., James E. Gooch, J. F. Peyton, Wm. Beck, J. C. Eubanks, R. C. Engleman, J. I. Wilmoth, W. A. Hatcher, J. C. Pepples, John Cook, W. C. Pettus, Miller McCormack, Ex. Reynolds, A. W. Carpenter, Shelton M. Saufley, S. J. Embry, Jr., Sam Castello, J. M. Pettus, W. M. Bright, W. P. Logan, Dr. C. Fowler, J. D. Beezley, J. T. Embry, S. M. Brown, Josh Jones, J. E. Bruce and Gerner Price.

The club will meet again at the call of the president. Each member is required to report to the officers of the club or to the commissioner of agriculture the result of his work with the pure bred seed corn.

Feland-Watt.

Handsomely engraved invitations have been received by many friends of the contracting parties here, reading as follows:

Mrs. Armistead Milner Feland requests the honor of your presence at the marriage of her daughter, Nancy Adele, to Mr. John Rutherford Watt, Wednesday morning, April twenty-seventh, nineteen hundred and ten, at half past ten o'clock, at the Baptist Church, Danville, Kentucky.

Wrong Kind of Fish.

Mrs. Mark Hardin and Miss Mary Mobley received quite a shock while fishing at the reservoir last week. They were using short poles, when Mrs. Hardin secured a very strong bite. She finally landed the bite, which proved to be a large snapping turtle. The ladies were not looking for that kind of fish and dropped their catch in a hurry. It was finally landed and killed by some men, and it is said to have been a whopper.

Back to Philippines.

News has been received here that Trueheart Bourne, an old Stanford boy, has returned to the Philippine Islands, where he served several years in the army. Mr. Bourne is a nephew of Miss Florence Trueheart, of this city. After his term of enlistment expired, he came back to the United States, and has been engaged in business at Huntington, W. Va. He had several chums who remained in the far western islands, however, and decided to join them again. He sailed from San Francisco on April 5th.

HON. HARVEY HELM

of Lincoln county, is a candidate for re-
nomination for Congress from the Eleventh
district, subject to the action of the demo-
cratic party.

We profess ignorance of all the ins and outs of the telephone situation in Stanford, but whatever the state of case, we would advise the city council to go mighty slow in taking any action which might force the East Tennessee Telephone Co. to cease furnishing its service to the people of this city and community. In the first place, all the old subscribers to its service are getting advantage of the \$2 and \$1 rate, and we are informed that fully two-thirds of the subscribers have this rate. Practically every city in the state the size of Stanford and a great many larger have the \$2.75 and \$1.65 rate where the East Tennessee service is used. Other telephone systems can undoubtedly be secured at a slightly smaller rate, but the character of service and area of territory which can be covered should be considered. We have had experience with both the East Tennessee service and the Independent or "Home Telephone" service, and we say frankly that where we have seen both in use, there was no comparison between the two, the East Tennessee being so much the superior. Harrodsburg is said to have learned a lesson which should prove valuable here. Those subscribers who are now paying tolls at \$2 and \$1 will certainly not appreciate any change of conditions which would force them to pay higher. We believe that the city fathers will do what they believe to be for the best interests of the city in this matter, but would caution them to go slow. Be sure of the result of every step before they proceed, no matter what course of action they may finally decide upon.

THE Somerset Journal has been changed from a semi-weekly to a weekly, thus making four weeklies there. Those many citizens of Pulaski, who like to have their news twice a week, can still get it from the columns of the "cheapest and best"—the INTERIOR JOURNAL, which will continue doing business at the old stand, and every Tuesday and Friday.

Sunday Schools Organized.

Rev. J. S. Hoskins, of the Baptist church, organized a Sunday-school at the Union Chapel, at Rowland, Sunday afternoon. J. C. McClary organized the children at Coffey's school-house, with Mr. Lay as superintendent. About 25 scholars were enrolled and much interest manifested.

Having sold my home to W. H. Brady, I will on Saturday, April 23, sell to the highest bidder all of my household and kitchen furniture, a few farming implements in good condition, a buggy and set of harness in nice shape, one mare, in foal, and other things too numerous to mention. W. T. Smith, Stanford, Ky. Sale at 1 o'clock.

Notice.

On Friday and Saturday, the 22d and 23d of April, 1910, the city council has directed that all property owners and renters clean up their premises. Black Joe.

This handsome young stallion the property of J. D. Eads & Son will make the season of 1910 at my barn in Crab Orchard, Ky., at the very reasonable price of \$15 to insure a living colt.

He is a black horse 15 1/2 hands high, weighing 1025 pounds, 5 gaits and very fast both in his rack and trot, with plenty of style and action. Just the kind of horse for the farmer to breed to get the best all round horse. See this horse before you book your mares and I know you will go no further. Will keep mares on grass at \$2.50 per month, but will not be responsible for accident or escape of stock. Lein retained on colt for season until paid. Season is due if mares are traded or parted with or bred to other stock.

Eczema—A Germ Disease, Can Now Be Cured.

The medical profession is all agreed that Eczema is a germ disease, but the thing that has baffled them is to find some remedy that will get to the germs and destroy them.

Zemo, the clean, external treatment, has solved this difficulty by drawing the germs to the surface of the skin and destroying the germ life that causes the diseases. The whole method of treatment and cure by Zemo is explained in an interesting book on the subject issued by the makers of Zemo. It tells how to cure yourself at home of Eczema, Blackheads, Pimples, Dandruff and all diseases of the skin and scalp. Call at Penny's Drug Store for the booklet and learn more about this clean, simple remedy that is now recognized the standard treatment for all diseases of the skin and scalp.

Red Light.

Red sorrel horse, 4 years old, 16 hands high, extra weight and bone.

Plow harness and wagon harness, and perfect disposition. He is the great outward silver 2800, that won the 1st prize in a seven heat race in 1892 and the same year won the \$1000 Homer Memorial at the M. and M. all in broken heels and sold for \$1,000 and later for \$250.00. Don Varriek is bred exactly like Spanish Queen that won the \$500 Transylvania in 1892 making a record of 2:07 and was classed as one of the big four, being one of the greatest money winners on the grand circuit in 1892.

Onward Silver is by Onward, one of the greatest and best sons of George Wilkes. Onward's dam was the dam of Director, the sire of that great family of trotters and sowers. Don Varriek's 1st dam was Wilkes' Roy, by George Wilkes a full sister to The Way 2:18, and half sister to Madeline Fatenet the dam of Rubber 2:10, Winchester 2:10, Billy Wilton 2:20, and Miss R. 2:30, and dam Mury by Boggs' Grey Eagle the dam of The Way and Madeline Fatenet.

Don Varriek's dam produced Dr. Conner that paced a public half mile on the Lexington track at 16 months in 1893, and sold to S. W. Hubinger of New Haven for \$1,000, she also produced Maggie Joe, that trotted a half mile on the same track at 16 months old in 1:11 and sold for \$500. Don Varriek is fast game and always on the trot, very rarely ever leaves his feet. In 5 weeks handling last Fall he trotted a quarter on half mile track in 3:05, sec. half in 1:10 and the mile in 2:25, on the outside of track. Please note the rich inheritance of speed on both sides. Not a missing link for generations. Bred to this fellow and you can't miss the four things every breeder looks for size, disposition, speed and looks. See him before buying your mares, soon money due when mares are parted with or bred to another horse. Mares kept at 10c per day and all care taken, but will not be responsible for accident or escape. Don Varriek is a 2:10 trotter if he had the proper handling.

Also at same place will stand

Two Mighty Jacks Two,

CLIFTON and RUSSEL.
CLIFTON is a black Jack with light points, 4 years old last September, 16 1/2 hands high with a matchless head and ear, well set on a racy neck, has plenty bone and substance and as a breeder he is not surpassed.

RUSSEL

is a black Jack with light points, 4-year-old last August, full 16 1/2 hands high with as much Irish and action as a horse, and as a breeder he is the equal of any Jack. Both of these Jacks will serve mares at \$10 to insure a living colt. Trading the mare forfeits the insurance. Care will be taken to prevent accidents, but will not be responsible should any occur. Jennets will be cared for after June 1st, and bred by private contract.

Almont Dare

3228.

A. S. H. R.

Sired by Dignity Dare 1902, he by Chester Dare 10, he by Black Squirrel 58, he by King William 97, 1st dam Tonaway 4768, also registered in Vol. 10, A. T. H. R. She by Abdallah Mambino 3715, he by Almont (33); 2nd dam Lady Davis by Crit Davis, by Bourbon Chief; 3rd dam Mattie S. by Foreign Light; by Foreigner, by Imported Glencoe; 4th dam Bettie C. by Cunningham's Copperbottom; 5th dam by Imported Buzzard.

NOTE.—Almont Dare, so far as we are able to discover is the first horse on record having to his credit the honor of defeating with his own progeny those of his sire, Dignity Dare. Since he first became a sire he has had from 1 to 4 premium colts shown each year at the different county fairs and they are developing into a fine lot of walk, trot and 5 gaits ones. This horse is the result of a lifelong mating with the best dams and sires obtainable, and as a natural result is a fine horse, beautiful bay, about 16 hands, and made tall, would weigh around 1200 pounds. A show horse among champions, fully their peers, going 6 distinct saddle gait all last, true and naturally extremely high. A high tailed one. He is a full brother to that walk-trot geld-

ing Newtendon that sold at a 4 year old for \$3,600, and to Trosy Dare that has won more premiums than any mare ever sired by Dignity Dare and a list of others too numerous to mention. This horse, owing to age and location, will make the season at our stable, 2 1/2 miles from Hustonville on Hustonville and Liberty pike, at \$15 to insure a live colt. Mares traded or bred elsewhere renders season due. Grass in abundance at \$2 per month. Our personal attention to all stock, but will not be responsible for accidents. Correspondence and best of all inspection invited.

Delightful Dance

Young Folks Trip Light Fantastic....May Form German Club.

A delightful dance was given at the opera house on Friday evening, which was enjoyed by a large number of belles and beaux from this and adjoining counties. The occasion was pleasantly informal, but the girls all wore becoming light gowns and everyone had a joyous time until an early hour. This is probably the first of a series of dances here, for there is talk of organizing a German Club, to give dances every few weeks, and many believe it would prove a very popular innovation.

Among those dancing were Mike Penny and Miss Nancy Yeager, Walter Milburn and Miss Sallie Taylor Woods, Earl Coleman and Miss Sue Taylor Engleman, Carl Carter and Miss Lucy Lee Walton, Hubert Carpenter and Miss Frances Cooper, Bragg Thompson and Miss Kittie Hoffman, Will Martin and Miss Lorraine Campbell, Boyd Weatherford and Misses Lula Lillard and Letitia Warren, of Danville, Lee Ruple and Miss Levia Harris, T.
